

27 SEP 1963

Mr. Kermit Gordon
Director
Bureau of the Budget
Washington 25, D.C.

Attention: Mr. W.H. Rommel

Dear Mr. Gordon:

Reference is made to the Bureau's letter of 18 September requesting the views of this Agency on the substitute bill, the purpose of which is to authorize the expenditure of appropriated funds for insurance covering the operation of motor vehicles in foreign countries. The substitute bill is of broader application than the bill originally submitted by the Department of Justice, in that it applies to Government departments, agencies and wholly-owned Government corporations generally, rather than solely to the Department of Justice.

The Central Intelligence Agency would have no objection to the enactment of this bill in its present form.

Sincerely,

John S. Warner
Legislative Counsel
